

Sophie Lund Wagner

 Sophie Lund Wagner |  sowag21@student.sdu.dk |  +4542187737

EDUCATION

M.S.c in Physics at University of Southern Denmark, Denmark 2024 – 2026

- Thesis title: *Novel principles for grand unification theories.*
- Thesis advisor: Francesco Sannino.

Exchange semester at University of Calgary, Alberta, Canada 2025

B.S.c in Physics at University of Southern Denmark, Denmark 2021 – 2024

- Thesis title: *Inhomogeneous cosmology and cosmic backreaction.*
- Thesis advisor: Sofie Marie Koksang.

RESEARCH INTERESTS

Theoretical physics, particle physics, fundamental interactions, cosmology.

AWARDS AND SCHOLARSHIPS

Zonta Denmark: “Women in STEM, 2024”, Niels Bohr Foundation, William Demant Foundation, Knud Højgaard Foundation, Torben and Alice Frimodts Foundation, Doctor Else Mogensen Foundation

PARTICIPATION AT SCHOOLS/CONFERENCES

IDA Summer School, NOT telescope La Palma 2025

TEACHING EXPERIENCE

High School project supervisor (University of Southern Denmark, Denmark) 2024 – present

- teaching and guidance of high school students in their final project

OUTREACH

Outreach instructor (University of Southern Denmark, Denmark) 2024 – present

- coordination and developing of “physics clubs” at high schools in Southern Denmark, planning of physics-events, teaching at summer schools (supported by the *Villum Foundation*).

Student ambassador (University of Southern Denmark, Denmark) 2023 – present

PROGRAMMING SKILLS

Python, Mathematica
